Work Experiences

Web Developer (Intern) At Pedicel Marketing (Remote|Spain)

Dec 2022 - Present

I currently work here implementing UI designs, building several websites for our new & existing client base, improving analytics and search console.

Web, WordPress Developer(Freelance)

Aug 2022 - Nov 2022

I worked as a freelance Web & WordPress Developer, UI/UX Designer.

Informatics Coordinator At Crystal Spec. Hosp.

Dec 2020 - Apr 2022

I managed the hospital EMR (eClinic) and the network infrastructure. Trained both Clinical and non-clinical staff. Provided superior IT supports at all levels.

Asst. Network Engr At Globalbits Nig. Ltd. (Freelance)

Dec 2017 - Dec 2020

I worked as a freelancer in deploying network infrastructure.

IT/Facility Officer At Nidus Aquilae Hospital

Apr 2016 - Nov 2017

I was in charge of both the IT and Facility Department. I managed the hospital health information management software, oversee procurement and maintenance and upgrade overall facility as required.
